Leaf Collection Program

October 30, 2006–January 26, 2007

Important Things to Remember If You're Placing Leaves in the Street for Pickup:

- Be sure leaves don't block sidewalks, bicycle lanes, or traffic lanes.
- Place leaves in a row at least a foot away from the curb so they don't block gutters and clog storm drains.
- Pile leaves at least 15 feet away from parked vehicles.
- Keep leaf piles free of sticks, pine needles and other yard debris.
(Place organic non-leaf materials in your yard debris container.)

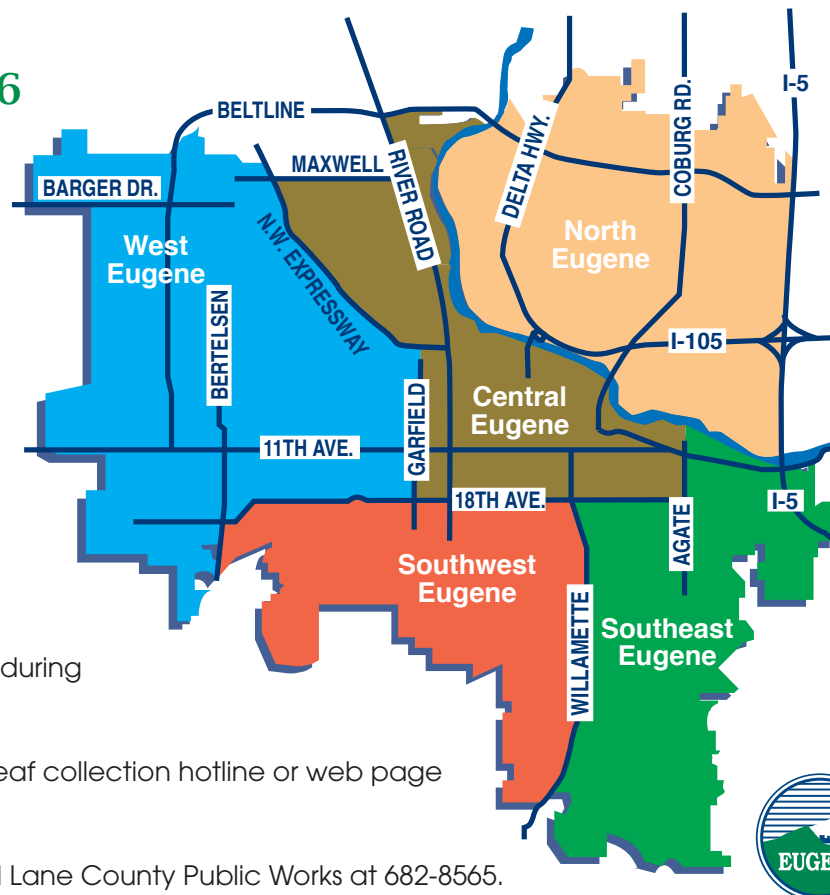

It's Easy to Rake, Recycle and Reuse Your Leaves

- Use leaves for mulch or compost in gardens and flowerbeds
(for more information about composting, call 682-5542 or visit www.eugenerecycles.org).
- Share leaves with neighbors and friends.
- Deposit leaves in the yard debris container provided by your garbage company.
- Take leaves to local yard debris recyclers (Rexius, Lane Forest Products, and GreenCo Recycling).
- If you want more leaves than you have, request a leaf delivery through the City's leaf delivery program (call 682-4800 for details).

Leaf Collection Schedule 2006

Oct 30 – Nov 3	West Eugene
Nov 6 – Nov 10	Central Eugene
Nov 13 – Nov 17	North Eugene
Nov 20 – Dec 1	Southeast Eugene
Dec 4 – Dec 8	Southwest Eugene
Dec 11 – Dec 15	West Eugene
Dec 18 – Dec 29	Central Eugene
Jan 2 – Jan 12	North Eugene
Jan 15 – Jan 19	Southeast Eugene
Jan 22 – Jan 26	Southwest Eugene

Unimproved streets are normally picked up during the second round of collection.

Schedule is subject to change. Check the leaf collection hotline or web page for more up-to-date information.

For leaf collection outside the city limits, call Lane County Public Works at 682-8565.

For more information, call City of Eugene Public Works, 682-4800 • Leaf Program Hotline, 682-5383
